school is a bore!

chool is a bore, a drag, or it's the pits! Whatever you call it or now ever you phrase it, it all amounts to one thing - a big bore! Waking up at the crack of dawn, you cram down your breakfast (if you have time for breakfast), and get dressed. The race against the clock is on, and you're losing. You made it to the parking lot, but now that you're here, your life is in danger. Oh, watch out, that car is going to wipe out! I wonder whose red VW that was. Oh, well, no time to worry about that. You have to be in your seat before that lousy 8:10 belt rings. Getting a glimpse of a clock while running down the hallway, you realize only three minutes remain. The pressure is on. Aren't you glad you use Dial? Some teacher is yelling at you to go clear back down the hall and walk. The seconds are ticking away. Finally you arrive at your locker. You're in your first period class by your seat and the bell rings. The teacher says, "Go get a pink slip," Yep, this is our fun and exciting school. Sitting through hours upon hours of note taking is for the birds. Just how much terture do our hands have to suffer through each and every day? Not only do our hands have to suffer, but our stomachs do too. The clincher of the day is lunch with only a half hour in the cafeteria to eat. By the time you get through the line and have your food, you only have about five or ten minutes to eat it. Then you know how you're going to be spending the rest of the day - being sick, Yes, yes, I must agree, school is just so much fun!

as long as you're here..

ports, music, theatre, and homework are enough to keep anyone busy. Girls finally get the chance to show their skills in shop, and boys are now fighting their way through Home Ec.

Partition.

Homecoming week is exciting — float meetings are enough to give a headache to even the strongest. The prom is one of the most memorable events. The last minute plea for people to pay their class dues or hold the dance in the gymmakes for an unforgettable evening.

Who could ever forget the unscheduled fuel shortage vacations and the wind chill factor of -63. The ice storms and snow storms struck hard in the winter of '77, and the students of S.H.S. were heartbroken at the grand total of 9 days of closings.

The end of spring vacation brings with it all the sunburned kids who went to Florida for their week of paradise. When May arrives, it always brings along its little friend, "Senioritis." With the beginning of race qualifications, 4 out of 5 kids who are absent can most likely be found at the track.

Yes, to some kids school may be a real bore, but is it really?

but once you think about it...

t all starts with a simple "hi," and with that you have become someone's friend. You share many of the same feelings, ideas, hopes, and dreams. Friends are very special people. There aren't any set shapes, sizes, and colors. You share the good times and the bad times, and keep each other sane. Although you may be rushed for time, a ring on the telephone and a few words of kindness can't do any harm.

Not all friends are kids; some can be teachers. The act may be given of a rough and tough teacher, but underneath the show, they are human too. But no matter what the circumstances, a true friend will never let you down. Just think how lonely life would be without friends — how dull and monotonous.

So, never take a friend for granted. Treat others as you would like to be treated — with respect, understanding, and most of all, love.

remember

Important days in your life. You'll be dressed in your clothes and every heir will be exactly in place while moment. You take one last trip to — just in case.

Coming from a 1975 season of 6-15 the varsity racketmen regained their composure by posting a 9 win and 5 loss record Bouncing back from a season opener loss to an always outstanding Brebeuf team the Plugs rallied to win their next three in row and finished up their mid-season record at 4-3. Starting their final set of the year the Plugs were 5-5, but through sheer determination and team spirit they were able to surpass their final four opposing teams consisting of Northwest, Bedford, Danville and Ben Davis and end their season with a gratifying record of 9 wins and 5 losses. This years team was headed by their dandy "Dinker" Scott Laskowski and their strong "Slammer"

Greg Ochs. Due to a rainout in the second day of Mid-State play the team was forced to forfeit the county tourney in order to continue in Mid-State competition. The number one doubles team, consisting of Larry McHenry and Greg Ochs, Todd Linville and Mark McCain the number two doubles team finished third and fourth respectively

The inexperience of the reserve team showed up at the completion of the season as they were able to break a .500 season at 7-6-1. Next year's team should prove to be very promising as they are losing only three seniors and have many varsity experienced players returning

PLUSS'WRAP' UP SEASOM AT 5-5

Emphasizing the need for a strong second-half after a disappointing first-half. Coach Clark talks strategy to the offensive backfield.

White setting up in the pocket, senior quarterback Ric Wilson has an ample amount of time to spot his receiver.

An accounteffort by senior co-captain Duane Bryant and junior Rod McNelly to block the extra point turned out to be in vain as the ball split the uprights

Retaining absolutely no starters from last year's offense, and only four from the defense. Coach Bill Clark faced the halzards of a rebuilding season. Lacking of returnees from the offensive squad was visible in the opening game against Center Grove. The Plugs offense was unable to produce a score of any kind and had to rely on defensive tackle Doug Houpt to sack Center Grove's quarterback in the endzone for the two point safety. The lack of offensive tact was further illustrated in the following game with Decatur Central

Neither team could sustain a consistent drive worthy of scoring opportunities until the sudden death overtime when Decatur went in from the ten yard line to score the winning touchdown

Quickly reversing the abscence of a scoring oftense. MyP Jeff Niemann gained 114 yards behind a fired-up often sive line to defeat Danville 16-7, and picked off a Whiteland Warrior pass to return the ball 95 yards for the initial score which contributed to the 18-9 tribumph.

After this surge of strong offensive power the Plugs showed high hopes of a very successful season only to be shatterred through injuries. Losing co-captain Doug Gilliatt at starting fullback and Rusty Long at tackle, the team was short more experience that was already lacking in the offense. Then dropping their next four games the team had to regroup in order to win their last two games against archrival Pike and an always tough Plainfield squad to complete the season at 5 and 5

Competing not only against state contenders such as Mooresville. Beech Grove, and Decatur Central, the wrestlers had to fight off illnesses, injuries, and the lack of experience to even establish a varsity record of 2-5-1. Although this record shows a disappointing season, Derek Owen, Rusty Long, Don Hott, and John Smith improved upon last year's individual record. John Smith also tallied a third place ribbon in the regionals and won the 177 lb sectional championship

Youth and inexperience showed up in the varsity's first three meets by losing to Mooresville, Brebeuf, and Beech Grove, but through strenuous practices during the week and putting in overtime on Saturday mornings, the team blasted Pike 35-19, tied Washington, and downed Center Grove 35-31. Losing their last two meets to Decatur Central and Whiteland, the Plugs went to tournament competition and finished a very respectable sev-

enth in the county, fourth in the sectionals, and advanced five boys to the regionals

Having to forfeit weight classes due to injuries and illness, the reserves were unable to post a winning season — their record was 1-3. Reversing the tides, the freshmen had a large turnout of wrestlers and under the coaching of Mr. Rick Haug gave the entire wrestling division its only winning record of four wins and no losses

Retaining a share of the Mid-State Championship with Mooresville, the Plugs established a rewarding 15-6 record. Winning the first six in a row over such opponents as Pike, Ben Davis, Mooresville, and Southport the team looked to be on their way to a very successful season. However, everyone's spirit was dampened when the Panthers of North Central gave Speedway their first defeat by a 72-55 margin. Coming back strong to take out their frustrations on Zionsville 72-60 Avon 61-44, and Plainfield 51-45, the team had in sight a County Championship. The initial step to arrive at the championship came when Speedway

drew Lawrence Central in the first round of competition. Lawrence halted the Plugs hope of advancing to the second round by a very narrow margin 59-57. The next opponent on the Sparkplugs schedule was the Franklin Central Flashes. Downing the Flashes 52-51, the Plugs received the county "Dope Box." Retaining the "box" by eliminating Beech Grove 62-41, the team bettered their record to 11-2. Hoping to keep the winning streak alive at home, Speedway took on the Warriors from Whiteland but failed to come out on top. After losing their first game at home, they defeated Center

Grove 53-45, but lost another close one to Warren Central moving their record to 12-4. Following the annihilation of Danville 78-52, the Plugs ran cold and were defeated for the second time by Lawrence Central 78-61. Playing to the top of their capabilities the Plugs rolled over Shortridge 75-59, and moved on to the semifinals of the Ben Davis sectional. Unfortunately the team started out much slower against Washington and fell behind by ten. The team tried valiantly to make a comeback but fell short 57-54 and ended a very gratifying seasn at 15 wins and only 6 losses

The reserve team finished this year with a record of 13-7, and gained a charnpionship in the Greenwood Christmas Tourney, All this occurred through long, hard practices and the experienced coaching of Jim Crumley. Being prepared physically by these grueling practices doesn't always help mentally. The mental aspect is continually lowered by playing every game before the varsity. When the team would run out of the locker room onto the floor they would expect a loud applause from hundreds of fans, but instead would hear only a muffled sound from about fifty dedicated fans. However, during the Christmas holidays the reserves were involved in the Greenwood

Invitational and looked to be well prepared by defeating Center Grove in the first game 27-16 and downing the host team in the championship game 33-22.

Looking into the future shows some very talented basketball players arriving on the varsity scene. By playing for both the varsity and reserve squads some of the players have stored vast amounts of experience to be used in upcoming years of Speedway basketball

The freshman team, under the coaching of Tom Smith, completed their regular season play including the Mid-state championship with an unblemished record of 16-0. Averaging more than eleven points per game against their opponents, they

collected victories over such rivals as Washington, Mooresville, Northwest, and Fulton. After defeating Danville by only two points in regular season competition. the freshmen blasted the Warriors 57-32 in the first round of the Mid-State Tournament. Advancing to, and overcoming Whiteland 39-27, they moved into the final game against Center Grove and came out champions with a score of 44-39. Coming off of a strong victory over Ben Davis and squeaking by Fulton in an overtime 45-43, the freshmen met Pike in the county tourney, played their hearts out, and took it into overtime, only to be defeated for the first time in three years 41-35

Having a disappointing season of 3-15 the varsity baseball squad was naturally chagrined, but many of the players have learned something more important—how to accept the extreme of defeat After dropping their first four games to Beech Grove, Perry Meridian, Lebanon, and Whiteland, the team came back strongly to annihilate Ritter 16-7. Losing their next three ballgames by scores of 4-3, 4-2, and 6-4 a win became even harder

to attain. Pike was next on the Plugs schedule and came out victorious which gave the team a 1-8 record. A double header with Northwest gave two more losses to the Plugs; but the next game with Brownsburg ended their losing streak, as they posted a 5-3 victory. Following a loss to Zionsville, the Plugs played their best game of the year, and defeated the number one team in the

county, Franklin Central. Two more heartbreakers to Plainfield and Mooresville by scores of 10-9 and 5-4 ended regular season play before the county. In the first round, Speedway drew Perry Meridan only to see a repeat performance of an earlier season loss. In sectional play Speedway played a very strong Pike team in the first game and was defeated 14-1, which ended an unhappy season

Preparing players for varsity ball is not an easy task. It takes time, training, and experience in order to establish a good background for a winning varsity team. This year's reserve team finished 3-7-1 and accumulated the knowledge needed to play varsity baseball. Starting off the season on the wrong foot and not being fully confident, the reserve squad let Perry Meridian get away from them and lost

11-0. Coming back prepared, the reserves downed Whiteland 9-6. Ritter 7-2, and tied Avon 4-4. Losing their next six in a row to Southport, Decatur, Pike, Northwest, Franklin, and Mooresville, the teams spirits were shattered. Ending the season by a victory over Greenwood, proved that patience and determination win in the long run

The Plugs freshmen finished this year with a very credible 6-3 record. Led by Mike Jones, Gary Raike, and Scott Curry the entire team played both a reserve and freshman role in the baseball organization. The future looks bright for the upcoming years as the frosh had strong wins over Ben Davis 12-6, Brebeuf 14-13, Northwest 13-10, and Brownsburg 12-10

As usual the first few track meets were run in relatively cool weather, but this did not hamper the varsity track members from getting off to a good start. Under veteran coach John Owensby the team swept their first two meets, but after being idle for spring break, Brownsburg upset the Plugs for their first loss of the season. Regaining their composure the track team gained victories over Mid-State teams such as Greenwood, Whiteland, and Mooresville and downed Beech Grove along with a strong Decatur Cen-

tral team to raise their record to seven strong victory over Plainfield, 72-44. Actheir spirits the track team rallied to clean-up at the end of the season and take three wins in a row against Danville, 72-55, Ritter, 77-50, and Wood, 86-41, and completed their season at ten wins and two losses

Opening the year on a disappointing note, losing to Franklin Central 74-52, the reserves bounced back quickly to gain a

wins and one loss. After establishing a quiring a loss to Brownsburg a victory very credible record the Plugs fell to the over Greenwood the reserves posted a 2-Pike Red Devils, 78-49. Staying on top of 3 mid-season record. The team then defeated Whiteland 68-46, and Beech Grove 95-7 to start a winning streak, only to be snapped by Decatur Central 66-57 Through sheer determination the reserves came back to run over their final five opponents Mooresville, Pike, Danville, Ritter, and Wood, concluding their season at 9-3

Concluding the season with a 18-1-1 re- shall invitational by shooting a 305, won Mid-State with a score of 298, got a third in the County on a 318, and placed fourth in the Sectionals with a hot score of 298. This was one stroke too much to advance to the Regionals. Next year's team is very fortunate because of the four returning lettermen, Mike Hardwick, Rob Fulford, Larry McHenry, and Doug Ehlebracht; their hopes are high for a place in the state

With only three returning varsity players, the initial concern of Coach Debbie Gath was to combine the players' different skills and talents into a successful team effort

Led by senior co-captains Debbie Froderman and Telene McCauley, the varsity team came away victorious from Greenwood — the third game of their season. This victory put the girls on the way to winning all but two of their away games

Although the home court usually supplies the incentive for a victory, both the varsity and reserve teams only succeeded in attaining one victory in front of a home crowd

Consisting of mostly freshman and sophomores, this

year's reserve team ended with a winning season of 7-6, surpassing last year's record by more than five games. This year's reserve team should provide the sturdy foundation needed next year for acheiving an admirable undefeated season

When asked about this year's team. Mrs. Gath commented, "Our team never quit. When it seemed like it was hopeless, that's when they fought the hardest and came through with a tremendous team effort."

At the conclusion of the season, leading scorer Karen Clodfe ter was named to the Mid-State All Conference Team — this was her second year in volleyball and also her second year on the varsity team

The opening loss to Franklin and Perry Meridian in a three-way meet put a damper on spirits as the girls' golf season officially began. The girls weren't disconcerted long, though, as they bounced back to win their next meet over Western Boone with a close score of 221 to 236

After placing sixth in the county tourney, the girls were destined to a losing season, winning only one of their last four meets. This victory came when Brebeuf went down to our "Gentle Jocks of the Green" 240-238. The girls finished the season by posting a 2-4 record

The team had a new coach this year — Mrs. Nancy Lawrence, a third grade teacher at Wheeler School. Mrs. Lawrence noted that the improvement of the girls this year was very evident. Hopefully next year — with some summer practice — we'll have a successfuseason."

Hampered by injuries in the starting line-up on the girls basketball team, the start of the much anticipated basketball season resulted in disappointing losses to taller teams with older and more experienced players.

This year the reserve team had a more fortunate season than did the varsity. With eight returning reserve members, the girls accomplished a successful record of seven wins, four losses

Though the varsity lost the majority of their games, they lost by no more than seven points from all but three of the teams they played. The most exciting game was against Warren Central when

they fell 39-40. The varsity's last and most frustrating game was at home with Center Grove, who had a 10-0 record. For the first three quarters the team managed to stay neck and neck with the Trojans — the lead shifting back and forth repeatedly. In the fourth quarter, however, the accumulation of Plugs' fouls allowed Center Grove to pull ahead, and the game ended SHS-45, Center Grove-54

This year two freshmen were in the varsity starting line-up, and many other talented players are becoming strong contenders. With some luck, both of next year's teams should achieve a winning season

Even under the guidance of a new coach, this year's team managed to defend their title as Co-Mid-State Champions, this time, however, taking all the spoils for themselves as they defeated last year's co-victor Center Grove. The girls captured the trophy this year by placing first in two divisions and second in two of the remaining three. The two firsts included Becky Hughes, Second Division Singles, and Tracey Ochs and Jenny Young, First Division Doubles. Debbie Froderman and Mary Dunin followed by taking second in their respective divisions of Number One and Three Singles

As far as the rest of the season went, both varsity

and reserve were able to boast a winning record. The varsity's 4-3 upset over highly-ranked Carmel upped the taily from 5-5 to 6-5, and with an easily secured victory over Avon, the varsity wound up their season with an overall record of 7-5. Losing only to North Central and Carmel, this year's reserve team completed their season by posting a total of 8 wins and 2 losses.

Achieving a winning record at their last track meet with Avon was the climax of the girls' track season. With the assist of three new coaches — Miss Wdowka, Miss Fernkas, and Mr. Woods — about thirty girls came for the initial practice. The rigorous training schedule included jogging, sprinting, working out with weights, and baton passing. Only twenty-one girls were left for the first meet which was against Scecina. They lost that meet but with alot of pain and determination they came back to win an impressive victory over Western Boone 55-50. At the three-way meet hosted by Plainfield, Speedway produced some outstanding individual performances which bettered many old marks. By the end of the season four girls were able to attend the sectionals in six events — Janice Workman, Sally Endres, Janice Martin, and Jennifer Ochs

Cheerleading is a year-round job! In late July, our varsity and reserve squads were already preparing for the upcoming football season. Representing our school at the Vincennes University Cheerleading Clinic, they received a spirit stick for their enthusiasm and cheering skills.

When school time finally rolled around, the girls occupied their time by making locker signs for both the football and basketball teams, planning pep sessions for all school sports, and practicing after school two or three times a week

Although their job looks easy and fun, our cheerleaders put in extra time and effort to make things run smoothly ... such is the role of a SHS cheerleader

This year's ATHLETIC DANCE as last year's was held in November and was the usual success. The school cafeteria took on a formal look as red, white, and pink decorations were hung in place. Most girls spent countless hours just deciding which guy to ask. Highlighting the evening was the crowning of junior TRACEY OCHS as queen and senior MIKE HAM LTON as king. Following the announcement the couple danced to the music of the Plainfield High School dance band as they played the theme of the dance, "Best of My Love." The evening passed quickly for all, and soon the 1976 ATHLETIC DANCE came to an end to long be remembered by those who attended

Sparkplug Spirit Overflows

For those who became involved, SPIRIT WEEK was one of the most exciting weeks at SHS this year. The first day was no longer a day of "Monday blues," but a day of "BROWN AND GOLD "Tuesday was declared "HATS OFF TO THE PLUGS" day, and students were found arrayed in everything from Mickey Mouse ears to army helmets, "CLASH 'EM" day arrived Wednesday, bringing with it mismatched styles like polka dotted shirts worn with striped pants, and red blouses over orange skirts set off by blue socks. On Thursday the mode changed from gaucho pants, boots, cowl neck sweaters, and painter pants to wooden shoes, sombreros, kimonos, and turbans as the student body portrayed the day's theme of "PEO-PLE OF THE WORLD BACK THE PLUGS." With spirit overflowing, "Oldie Goldie" day concluded a great week with bobby socks, slicked duck tails, mid-calf plaid skirts, and "shades." At the close of the day, the pep session was another successful spirit promoter as the freshman class was victorious in Battle Cry. All girls had been given paper hearts at the beginning of the day, and each was required to give her heart to any boy to whom she spoke. ANDY GILBERT was awarded the title of Mr. Irresistible for having collected the greatest number of girls hearts, Juniors MONICA SULLIVAN and PAUL Shackelford were chosen as "Betty Lou" and "Teen Angel," respectively. Sophomores and juniors tied for first place in a contest to decorate the school held between the classes All of these things when put together made up a fantastic SPIRIT WEEK at Speedway this year

The enthusiasm of the preceding week, along with the pressure and tension, climaxed when HOMECOM-ING '76 entered Johnson Field on the night of October 8. A welcoming crowd of some 3,000 fans filled the stadium as the band and players warmed up for the big game. It is said that this was the largest crowd ever to attend a SHS homecoming. The game began and so did the excitement as the fans and cheerleaders backed the team with shouts and cheers. At halft me-Avon led 6-0. Although this was disappointing everyone soon forgot as halftime festivities started. Marching proudly onto the field, the band initiated the cere monies. After an excellent performance by the band class floats were paraded onto the track for display The seniors won with their entry "Plugs Know How to Fiddle with the Oriole Middle." This was followed by the juniors' entry "Down the Oriole - the sophomores

entry "Plugs Monopolize the Game," and the freshmen's entry "Plugs are Out of this World." Following the procession of floats came the princesses and the queen candidates, BEV PETERCHEFF, VICKI STERGAR and JUDY THRASH. After a few moments came the announcement for which everyone had anxiously waited. BEV PETERCHEFF was proclaimed and crowned 1976 Homecoming queen. Her court of princesses consisted of junior RIKI COLLINS, sophomore SHERRY HAMILTON, and freshman BETH SULLIVAN After the completion of the ceremonies, the game was resumed and through the third quarter remained dominated by our opponent. The Plugs scored eight points in the final quarter but nevertheless were defeated 18.8. Home coming '76 came and left in one evening, leaving behind memories and good times to be remembered by

Student Theater's fall production, MEET ME IN ST. LOUIS, took the audience to the World's fair of 1904. The Smith girls -- Rose(SUZANNE CARROLL), Esther(LAURA KING), Agnes (DIANA DUNCAN), and Tootie(BECKIE McATEE) - are excited about the opening of the Fair, but are also in the midst of running the new romance of their only brother, Lon(TIM MEDENWALD). As the play opens, Mr. Smith(MARK FISHBACK) comes home nervously to tell his wife(RENDA HILTON) and the family that has been offered a better job in New York. Of course, this will mean missing the Fair Upon hearing this, the girls decide to stand up for their rights. Little do they know that their plans will almost put the whole family in jail! Even though their clever schemes fail throughout the story, the girls continue their efforts to stay where thy have been so happy, in St. Louis

THE DRUNKARD, Student Theater's spring production, takes place in the late 1800's. Today's version is a melodramatic farce with a fair young maiden(MARY PRIGGE), a dashing young hero (ROGER BORST), and a wicked, leering villain-(BRIAN PERONA), complete with black cape. The plot deals with the resolution of a lost will, the threat of losing a family cottage, and the evils of alcohol. In the end, as always, good will and viture triumph

The 1977 spring musical was CAR-OUSEL. This musical is a tragic love story about a carnival barker named Billy Bigelow, portrayed by BRAD REYNOLDS. Billy falls in love with Julie Jordan, portrayed by DEBBIE GRAHAM, Eventually they get married and Julie becomes pregnant Billy soon realizes that he needs money to support his wife and child, so his friend Jigger Craigin, portrayed by SCOTT LASKOWSKI, helps him commit a robbery. During the robbery Billy is caught and, afraid that he will be sent to jail, stabs himself

Other leading roles include: Mrs Mullin (LAURIE URBAN), Nettie Fowler (JENNIFER RICHARDS), Enoch Snow (CHRIS MANERS), and Carrie Pipperidge (TAMI WISE). The dancers consisted of: Kerry Waggoner, Mary Prigge, Tim Medenwald, Julie Johnson, Brad Williamson, Diana Duncan, Mark Fishback, and Martha Wells

Diploma In Hand

The fortieth annual commencement program of Speedway High School officially terminated the four years of hard work and fun that were a part of high school for the Class of 1977

Following the invocation delivered by Dr. Ray Montgomery, Minister of Speedway Christian Church, Dr. Richard F Rosser, the President of DePauw University, addressed the graduates with the commencement theme "What Have You Learned?" Mr. Floyd Troth presented each student, and a reverent atmosphere surrounded the one hundred and sixty-three graduates as they accepted with pride their diplomas from Mr. Sam Golden, President of the School Board.

With diplomas in hand and a feeling of accomplishment, the Class of 1977 left Speedway High School

The structure is my teacher, I shall not pass.

He maketh me face the blackboard, and he destroyeth my crib notes.

He putteth my gum in the trash can. He maketh me aquiet, and taketh away my candy.

He waketh me from my sleep; and leadeth me, to the office for conduct's sake.

Yea, though I walk through the halls of knowledge, I fear great evil; for I have forgotten my homework

Senior! Why should I, Boy Frosh have to take a lenguage that I've spoken all of my life? Why should have to take English?

SUPER SENIOR : Huels, Boy Fronti, and listen to my tale! I have not always been to dething. Before English 9-19 came into my life, I must admit I truly did not understand the meaning) of Plato's philosophies, nor did 📗 lenew the significance of the many great pieces of literature such as the CANTERBURY TALES, the PEARLI and CRY THE BELOVED COUNTRY that have made this such a fineli world in which to live. And, not only have I improved in that area, but in grammar as well. It used to be that i would write one comma splice after: another, and run on's became and everyday event. But, now after five years of speech, grammar, and∀ literature, I am a changed person Yes, because of the fine training: acquired from Leah Abrams, Grace: Hine; Jo Parrot, Rose Price, and Betty Sisco, and through the fine advice of Ruth Wilson, Phyllis: Hughes, and Carol Leskovac, Lami proud of what I am 🚲 a SUPER: GRAMMARIAN!!! The Battle Hymn Cry

Of long long ago there exists an ancient lone
Of a fer away bettle called the Trejen Wer.
Who are the man who bequeath their lives
To a battle that issues such horrible cries.
The the Trejens and Greeks and this and nothing mere.

Through the long drawn years the bettle is reged in a land called Turkey the war is thus staged. Over what would suck intelligent men fight. In a war that rages on into the night.

Tis a woman normal Helen who is highly accorded.

Ships and armies thrust sowers then adversory.
Victors exalt triumphs; as for the dead they are buried.
The end came not from physical strength alone;
But came of a trick from which victory was sowe.
Thus ends the lore of the Trojan War.

The class of 1978 tink up intitiap forward as they enterest or year as upperclassmen. Being an upperclassman isn't all fun and games as most unlors know. Working at concession stands and planning a promi were a few of the responsitions taken on by the proofs For the first time in many years, the jumpre did not fair into financial problems for the prom which was he diat the Redeway Inn. The juniors also prived their responsiting by by plung second in the canned food drive and building a Homecoming float entitled, "Down the Orioles Academically the juniors endured U.S. History and completed Scholastic Aptitude Tests in March, Also in March the Junius were it is to, no the Nation Hotor Society. On May 26 president Roa M No , a cepted the give from sen or risks president Mark Misier to ead the class of 1978 into their ast year at Speedway High School

Who can you turn to when you need to give mouth-to-mouth resuscitation, deliver an augumentative speech, or the gelatire? — any sophomore at Speedway High School can with their knowledge from Health, Speech, and Driver Ediclasses. Besides being well informed, the class of 1979 was well represented in boys' and girls' athletics. Their undaunted enthusiasm in sports led the sophomores in winning the "spirit stick" at numerous pep sessions. Sophomore Princess, Sherry Ham the land their homecoming float "Plugs Monophize the Game lalso reflected their willingness to participate.

Anxiety, fear, and excitement were obvious on the morning of August 30, 1976 as 190 new freshmen prepared to enter Speedway High School for their first year. The freshmen like every other new student at Speedway High School, quickly became accustomed to blue slips, pink slips and absentee cards. The freshmen, this year, were led by President Lynn Albright. Her enthusiasm and ambition along with the other class officers, provided a good foundation for the freshmen class. After winning numerous pep sessions, and building the unique float — "Plugs are out of this world," the freshmen proved that their inexperience was not to hold them back as succeeding as one of the superior freshmen classes of Speedway High School

God Loveth a Cheerful Giver

The words above are most often heard in church. And they most often refer to contributions of money.

But they also have a broader meaning—a meaning that transcends monetary considerations. When you who are sen ors at Speedway High Schooligo on to college or into jobs, you might want to consider the broader meaning.

Give of yourselves to classmates to colworkers. Give of yourselves in family relationships. Give of yourselves for the improvement of society.

You quickly discover that giving is much more rewarding than the "gimmee" attitude of many.

My mom goes bananas when I don't clean my room,
My sister goes bananas when she hears a sonic boom,
My dad goes bananas when his car's a mess,
I go bananas when I bomb a test.
The poor banana — doesn't even crunch,
I wonder if it goes bananas when it hangs in a bunch!

FREE

I wish I were free to run and to sing to laugh and to cry to do most anything that my soul should desire — I wish I were free to be me.

ALONE

lam alone. Many people surround me day in . . . day out. But still am alone Simply because no one understands me the way I really am just another human being looking for a friend

FIELD OF GRASS

What one believes to be right but isn't Is better than the ordinary.

If life never had an occasional twist,
Then we could be
Like the grass in the fields —
Constantly multiplying
With no apparent purpose.

i call her mom

This individual is a free going person who is always doing something with people and bringing joy into the lives of others around her. No one could ever say she's not great. Whenever I have a problem, I can always count on her to listen and try to help. She's a riot to be with but knows when to work and when to horse around. I can always count on her to get the job done in the patient and exciting manner in which she operates. She's always laughing and carrying on like one of the kids. I wonder when she's going to grow up!

She stands by her principles politely when she discusses the world around us. She's very intelligent and alert to the things that are going on around her. I can never miss her while walking down the halls. Her tall body, long legs, and curly frosted hair always give her away. When she talks, you can't escape her sparkling blue eyes or the wisdom that captivates her face

I'll always see her doing something with kids. Whether it's in yearbook, shorthand, or typing, she's spreading a good feeling to them all. I also find her with the Christian Club, eating and being a class sponsor. But whenever I see her, she is always with people

This person is a very generous lady. She's always doing something that leaves a nice feeling on everyone she touches. She is a very super person and a true friend of mine. This is why I can honestly say she is my friend, but I pretend she's my mom.

- Patrice Pruitt

Memories

Something still lingers Through the relationship that was shared Upon times of meetings The hello and reactions that were dared Feelings which cannot be love Nor just friends can it be Unexplained and held within Are answers locked by a stolen key Memories that haunt the mind and soul there they shall stay And no one may know Caring only hurts Forgetting can't be done It's just a little game Turning out to be fun

 - a. That which is absolute or self-existent, as opposed to that which is dependent; that which is ultimate.

That which is tangible, has objective existence and is not merely an idea.

- David Klenke

H is for hilarious, the ha-ha's too, But most importantly it stands for humor—the world's release.

U is utterance — the utterance of laughs, and of giggles

M is for the magic that laughter brings, and means make the most of the happiness you feel.

O means be optimistic, be cheerful, have fun.

R stands for riddles and rhymes, and the jokes that make you laugh HUMOR — the special ingredient that makes life worth living

Standing outside the home of Edgar Allen Poe, I have just been informed that he is being arrested and charged with the first degree murder of his wife, Mrs. Poe. The actual crime took place inside this old Victorian house behind me. She died of shock in her bedroom suite at approximately 8 p.m. last night. When we talked with the famous author, he said that it was a very easy task. All he did was follow the step-bystep instructions in his new best-selling short story, "All You Ever Wanted to Know about Killing Your Wife." It seems he followed his own advice and got rid of her.

When we talked to the police, they said that she had been inflicted with hideous mental torture. It is said he forced her to read all his Gothic tales followed by a good dose of his short stories and poems. Then he forced her to sit in a room by herself with only a stuffed black bird to keep her company. This caused her to be "a little crazy," according to the author Poe. Some suggested reasons may be deduced by rumors heard concerning Poe's married life. His wife was said to be a constant nag. Always telling him to write something happy or to get rid of the stuffed black bird he keeps in his den. Another reason may be that he just didn't love her. It is said that she could have been a substitute for a true love whom he could not marry.

In an interview with Poe, he said that he wished she would have lived a little longer because he had not thoroughly finished his task. He had planned to torture her as in "The Pit and the Pendulum," another of his famous stort stories

It is not known now whether he will still continue his writings of poems, short stories, and Gothic tales after this incident is taken to the courts or not, but we hope for America's cultural future that he will. This is a reporter for Channel 13 News from outside Edgar Allen Poe's residence

Security

Security is a red and blue scarf, which keeps the cold weather away from my neck. By projecting light, my night light helps me get through the dark house, and it prevents me from tripping over something that might by laying on the floor. When I was a child, my blanket also provided security. By hiding under it, the "boogle" man could not get me. My Snoopy, a stuffed animal, helps me make it through the nights when there is thunder and lightening. My red and white hat and my tennis shoes are my security when I play basketball. With my hat and shoes on I feel as though I am unbeatable. After having my tonsils out, I had another kind of security. This was a Popsicle and its coldness made my throat feel really good. In public, a policeman is the legal form of security, while at home I look to my mother. Furthermore, at school a friend is my best bet for security. Escaping from a displeased mother, I scamper to my bedroom closet. However, when she is not in a bad mood, her lap is even a safer place than my closet. My last form of security happens to be an oak tree. It is so high that no German shepherd could get me up there. Security is different for different folks. To me, security is many different things, each with its own special significance.

QUESTION If your house were on fire, what would be the most important possession you would take out? What is your most treasured possession?

ANSWER Let us be eve that my house was on fire. The first thing I would do would be to make sure my mother was out of the house. The reason that I would do this is because I would say that my morn is the most important thing I have. Some kids don't think very highly of their parents, but I do.

Whenever there is something wrong or I'm not feeling well, she is always there to lift me up. If I just want to talk, she will listen and she understands me.

We have our differences, but I will always say that my mother is the greatest importance to me.

— Jim Hardwick

Peter Pan

The person that I would like to meet in this whole wide world is Peter Pan. Because only kids can see him, but for some odd reason I haven't seen him yet. I have seen Santa Claus, the Sand Man, and a lot of other popular people but not him. After all, I do believe in Peanut Butter.

Loneliness

Loneliness — an empty corridor

An empty heart that knows not the love of others
Loneliness — an empty room

An empty mind that knows not the meaning of life
Loneliness — a wilted rose

An aged man who knows not the happiness of the
young

Loneliness — a faded photograph

A man who knows not the feeling of a dream fulfilled

Loneliness — a locked door

An old man who knows not the desire to live

GIFT HORSE

Back in the days of yore

Near the end of the Trojan War

The Greek wooden horse was placed at Troy's gate
In hopes that the Trojans would take the bait
The Greeks retreated with vengeance in mind
And put the Trojans in an awful bind
They dragged the horse inside their wall,
And soon heard the Greek battle cal

The heros inside the horse began the fight,
And the retreated Greeks returned with all their might.
The city of Troy in ruin lay,
And the last of the Trojans left in dismay

VACATION

When vacation is here everyone is glad because we get out of all the homework, get out of the house, and go see our sister. But when vacation is over, it is back to homework, getting up at 7:00 a.m., and coming back to school. That is what "V" means to me

Yawning

Y is for yawning that we all do in class
Listening to boring lectures that have no pizazz
You try to hold it but it wants to come out
Just to see what life's all about.

Yawning only makes you feel sleepy
And makes you look sorta creepy
So what is all this yawning about
A boring expression
that wants to come out

Notebooks

Almost everybody at Speedway knows all about notebooks. They are good for everything from storing extra paper for airplanes to hiding library books during class. Some people even put class notes or homework assignments in them, because they think it will help them study for a test. Of course, those few people often find that two days before a test, their notebooks savagely attack the paper so it falls out and leaves them no better off than those whose notebooks hold only blank paper. Whatever you use them for, or however much good they do you, you must admit that there's no substitute for a notebook

Senior Tribute: To An Instructor To A Friend Frank W. Hamilton

The yearbook staff of 1977 pays tribute to a teacher who has served Speedway in a quiet but dedicated manner. His personal interest and frank honesty have made him a most valuable instructor, coach, and FCA advisor. To Mr Frank Hamilton, the yearbook staff expresses its gratitude and Godspeed

PEOPLE behind the scenes...

challenge faced all of units how could we measure up to last year's book? We finally decided on the theme "School is a Bore" since that's all you hear kids say. We wanted the chance to prove them wrong and to show them all the activities at S.H.S. in which to ge involved.

We owe our special thanks to Mr. Tom Schwein, of The Studio, Brownstown, Indiana for his excellent photography; and to Dick "Shorty" Maurer, our sales representative, for his helpful advice.

How could we ever forget Mr. T.R. Kennard for his continuous entertainment and maybe his advice every-once-in-awhile on art and photography. And leet, but not least, Mrs. Fern Binghern. She has taught us lessons which we will never forget. Her understanding, actionos, and most of all her loving care for all of us made the yearbook experience special.

We have worked hard and long and are very proud of our finished project. We hope you feel the same happiness as we do!
